Board of Education

MEMBERS

E. B. Strecker - - - - - - - - - - *President*
E. J. Mildren - - - - - - - - - - *Vice President and Chairman Building Committee*
Mrs. Bertha Brickwede - - - - - - *Chairman Teachers and Text Book Committee*
O. C. Dunn - - - - - - *Chairman Finance Committee*
W. L. Hyde - - - - - - *Chairman Supplies Committee*
W. M. Scott - - - - - - - - - - - *Clerk*

Never before in the history of Marietta Schools has such a large building program been undertaken as the one which took place during the term of the present Board of Education. This board thoughtfully planned and made possible the present high school building, which adequately takes care of twelve hundred students. Not only have they done this thing but they have gone further and are adding to the present plant a new gymnasium.

With the completion of the gymnasium the present board will have finished a task that they set out five years ago to complete. During these five years the board has rendered a service for which there is no recompense save the knowledge that every Marietta boy and girl will benefit by the effort and time conscientiously and efficiently given by each of its members.

Resume of 1927 Football Season

SPENCER

Starting out with a light line-up, but with grim determination to "Win or Bust," the Saltmen annexed the first game of the season from Spencer.

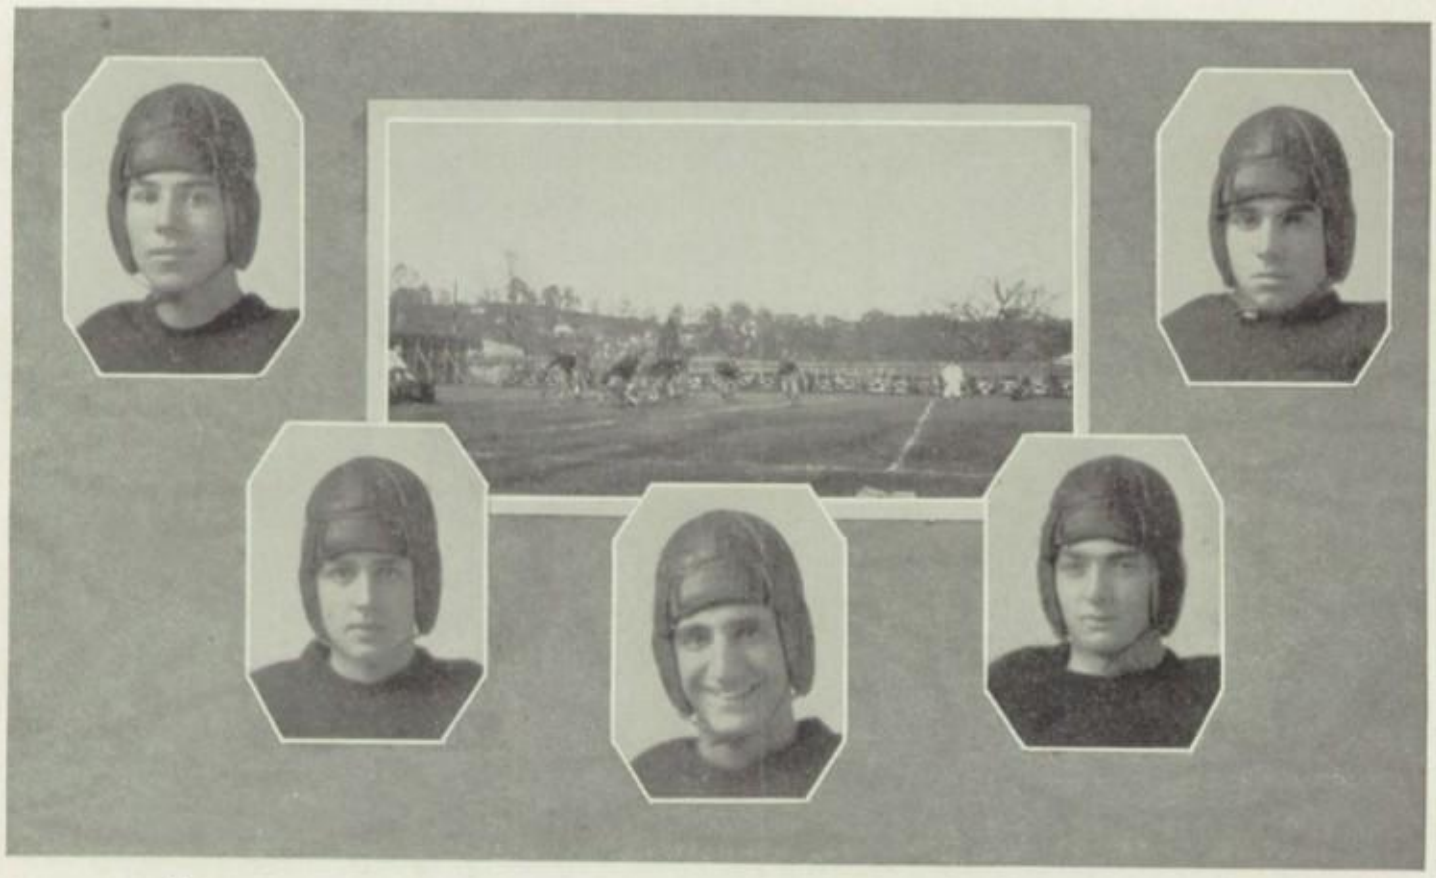
The Marietta boys outplayed Spencer all the way. Both touchdowns were made in the last quarter, one by Strayer, the other by Steed. The extra point was made by Steed who carried the ball around right end.

PARKERSBURG

The week after their victory over Spencer the Mariettans entertained the Parkersburg gridders at the College Field.

The game was played in a cold drizzling rain which served to dampen the spirits of both teams, especially Marietta's. Marietta High emerged from this fray on the short end of a 39 to 0 score.

Parkersburg had the heaviest team that they had had for some time and the Marietta eleven was no match for them. The "Orange Tigers," however, put up a stubborn fight until the final whistle blew.



Gray Patterson George Rankin Flemming

ASHLAND

Marietta battled with Ashland to a scoreless tie in a game that was full of excitement. The Saltment outplayed their opponents but failed to score. Late in the last quarter they furnished the crowd some real thrills when they began an advance which brought them to Ashland's five-yard line. The end of the game brought to a halt what looked like a sure victory for Marietta.

MARTINS FERRY

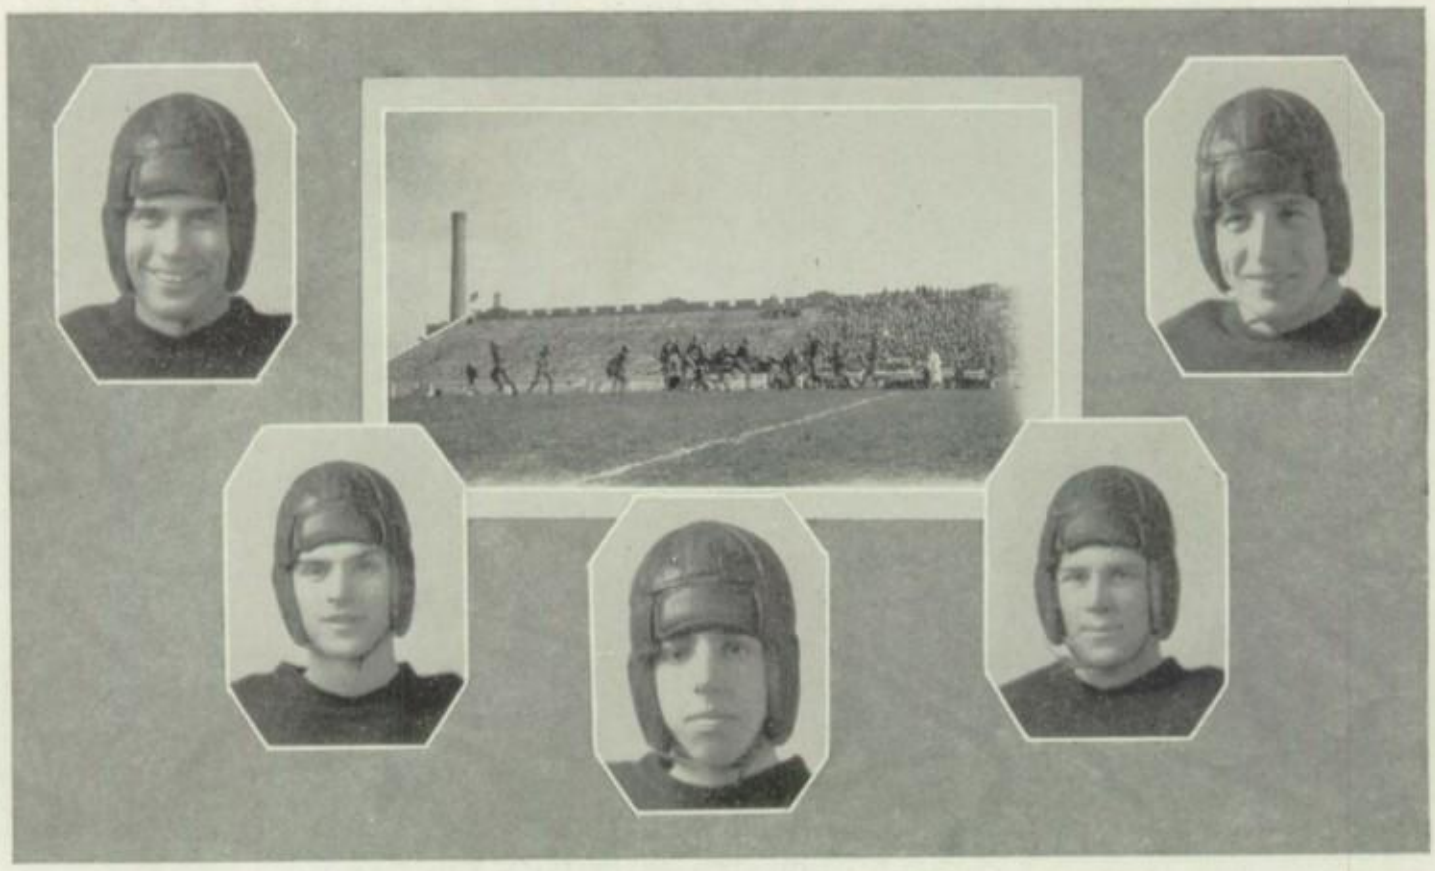
Martins Ferry with but one defeat on her slate up to this game bowed to Marietta on her home field for the first time in three years. The score at the end of the game was Marietta 13, Martins Ferry 12.

Martins Ferry had things pretty much her own way during the first half but in the last half the Saltmen uncorked a brilliant passing attack which caught the up-river lads off their guard.

Strayer and George each carried the ball over the line for Marietta's two touchdowns, while Steed carried it over for the extra point that meant victory.

ZANESVILLE

Playing in alternate rain and snow and on a muddy field, the "Orange Tigers" rode rough-shod over Zanesville's "Blue Devils" for two touchdowns. Both scores resulted from passes, Strayer to Steed.



Liston Henry Hiebel Strayer Schurr

BELLAIRE

After four hectic periods of dogged fighting Marietta went down to defeat before Bellaire's Ohio Valley Championship Team. Bellaire scored their only touchdown during the first quarter and from that time on it was a nip and tuck battle to the end.

PARKERSBURG

Fighting gamely against the greatest possible odds, Marietta's football machine gave Parkersburg High (Champions of West Virginia) the surprise of a lifetime when they held then to a 6 to 0 score. Parkersburg got away early in the first quarter for a touchdown and from that time on the Marietta line unyieldingly held them from further scoring. In the third quarter Steed broke through the entire Parkersburg team for a touchdown but officials called the ball back maintaining that he had stepped out of bounds.

Marietta is the only team that held Parkersburg to one touchdown and much credit should go to her for her near victory over Parkersburg.

MARIETTA HI HOLDS BIG REDS TO ONE TOUCHDOWN—LOSES 6 TO 0

Team Does Fine Work On Defense

Parkersburg high school's power-packed grid machine, which has made a reputation this season for scoring heavily on its opponents, was held scoreless in Parkersburg stadium on Saturday afternoon by a determined, high-spirited, hard-fighting Marietta high team. Parkersburg won, but her lighter opponent held her to a single touchdown and the score was 6 to 0.

A shivering throng of spectators, huddled in the big stadium, looked on in amazement as the Orange Tiger fought fiercely against the attack of the Parkersburg team, turning it back again and again. Marietta's line was her strength and it outgamed the Big Red forwards almost throughout the contest. It asked no quarter and gave none and often it surged through and nailed an opposing ball carrier behind the line of scrimmage.

Marietta's rooting section went into a frenzy of cheering soon after the start of the third period when Capt Steed, Marietta halfback, dashed 64 yards to cross Parkersburg's goal line. But the Orangeman was crowded as he was spiraling along the sideline and his cleated shoe dug into the earth a few inches outside the white line. Up to that point Steed had galloped 31 yards.

Big Reds' Admirers Do Not Like Score Of Marietta Game

High Uses Air to Win Fine Game

A fine passing attack, unleashed near the end of the game, gave Marietta high school's football team a well earned victory over Martins Ferry high in a vigorously contested game at Martins Ferry Saturday afternoon. The score was 13 to 12. Four thousand people saw the game, which had many exciting situations and many thrills.

Marietta showed marked improvement. The team fought courageously all the way and wiped out a 12-point handicap before it got into a position to win. It did this against a slight handicap in weight and after it had been played off its feet in the first terrific drive of the Purpies.

The Orange team was master of the situation most of the time after the first half of the first quarter, although it was long before Coach Salt's charges got into scoring position. The winning punch just before the end of the game was supplied by a series of fine passes.

Spirit Shown At High Game Wins Praise

Zanesville Takes First Court Game

High Eleven Knocks Off Zanesville

Grit and determination carried the Marietta high football team to another victory on Saturday afternoon when it defeated Zanesville high, 12 to 6, at Zanesville. Hopes and aspirations of the Zanesville aggregation were blasted by the stellar performance of the Orange and Black outfit, which outplayed the Blue Devils through three and a half quarters.

Both Marietta touchdowns were scored on forward passes and in both instances the same two players figured. These were the only passes attempted by the locals and Strayer was the starter of both, with Steed on the receiving end to dash 18 yards for the scores. The game was played in penetrating cold and with rain falling almost constantly during the first half.

MARIETTA HIGH AND ASHLAND PLAY TO TIE

Marietta high school's football team, showing great improvement in all departments over its form of previous games, stopped the highly touted Ashland, Ky., high school eleven at College Field on Saturday afternoon and held it to a 0-0 tie. Not only that, but Marietta outplayed the visitors, kept them on their own end of the field much of the time and had them fighting to stave off defeat with their backs close to the goal as the game ended.

The Orangemen showed fine spirit. They were outweighed. They were up against a team that it had been predicted would ride rough shod over them. But they played a determined, aggressive game and played it well. They took the fight to the enemy and kept plugging away from the first kickoff until the final gun.

Sensational Game Thrills Large Crowd

By R. H. RIDE

Experiencing all the thrills and exultations that feature a fine athletic contest, a clamorous crowd of approximately 800 fans packed college gym Thursday night and saw the Parkersburg high basketball team triumph over the Marietta high cagers, 28 to 24. It was one of the most exciting games played here in years and it was either team's victory until the final gun crack.

Coming to Marietta with an impressive record of seven consecutive victories and no defeats, the Parkersburg aggregation was doped to put the skids under the Orangemen and win by a wide margin. But the Big Reds hit a real snag in the Marietta quint and can count themselves lucky for having gotten away with a victory. The spirit of the Marietta team was splendid and a great improvement was shown in the general teamwork.

It was a typical Marietta-Parkersburg battle. A nip and tuck affair from gun to gun, with the commanding position held by each team frequently throughout.

Sensational Flash Wipes Out Big Lead

Guilty!

A jury of more than 600 persons sitting in college gym, Friday night, unanimously pronounced this verdict on the Marietta high basketball team after it had spectacularly, remarkably and notably triumphed over the touted Cambridge high team, 33 to 32.

If you ask the reason for such a verdict for the Marietta cagers, you will be told that they were guilty of perpetrating one of the most echoic [illegible] in the history of the school, if not the greatest.

Heldman (Capt.) Stephan (Capt.) Spindler Strayer Hays Liston

Resume of the 1927-'28 Basketball Season

Although Marietta High School passed thru a basketball season, which could not be called entirely successful, it is of interest to note, that in a number of the games, defeat was by only a small margin of points. In the eighteen games played, three resulted in victories, while in ten of the fifteen games lost, the difference between the score of Marietta and that of her opponents was less than ten points. Not only is this to be taken into consideration in summing up the 1927-28 basketball season, but also the high calibre of the teams played and their position on the schedule.

Marietta High has on the record book three victories to her credit. The first of these came with the Athens game, in which Stephan and Heldman divided scoring honors. In the second half of this game the local basketeers displayed some of the finest brand of basketball of the entire season and the game ended with Marietta in a 24 to 18 lead. This was the fourth game of the season. Previous to this Marietta had been beaten by the Alumni, Zanesville and McConnelsville.

Williamstown High School was the second team to bow to Marietta. Field goals by Hannan and Hays, who each scored three buckets, kept the "Pioneer City" team just a few jumps ahead of the Buchanan-coached boys. This game started a thriller and ended the same. The score at the half was 9 to 9 and at the end of the game 21 to 17 in Marietta's favor.

After having been defeated by Cambridge earlier in the season, the Rinehartmen gave Marietta basketball fans the surprise of their lives at

"K" Mike

Gray Marquis Hannan Chamberlain Mike

Goshorn Gym on February 5, when they turned the table and defeated Cambridge by a 33 to 32 score. This contest with Cambridge was like a basketball game read about only in books. At the half the score stood, Cambridge 21—Marietta 5. All hope had been given up. Then came a second half that will not soon be forgotten. The Marietta defense functioned with perfection and the entire Marietta team went on a scoring spree. With the score at 29 to 30 and only a few minutes to play, Dick Liston brought the crowd to its feet with a most difficult overhead shot to send the Mariettans in front, 31 to 30. Marietta kept the lead until the final gun crack.

As usual, the two tilts with Parkersburg were looked forward to by the students for many days. Parkersburg managed, however, in both games to emerge victorious. In the first game at Marietta, Parkersburg scored 26 points to Marietta's 24, and in the second, held at Parkersburg, Marietta was downed 30 to 35.

In two week end trips to the northern part of Ohio, Marietta was defeated by Bellaire, Dover, New Philadelphia and Canton McKinley.

The last three games on Marietta High's regular schedule were Middletown, Athens and Zanesville. The local team met defeat at the hands of each.

A goodly number of students followed the team to New Concord, where the Eastern Division Basketball Tournament was played. Marietta drew Bellaire in the second game of the entire tournament and although the Rinehart courtiers put up a fine scrap they were forced to bow to their opponents by a 27 to 33 score.

Orian

This year the Orian has 825 subscribers, the largest number it has ever had. The actual cost of each copy of the 1928 Orian amounts to about $2.50. Due to the kindness and loyalty of the merchants of Marietta, however, from whom has been obtained nearly $650.00 in advertising, it has been possible to offer the Orian to the students for only one dollar.

Original

The Original has had a very successful year under the new leadership of Mr. Siegfried and Miss Stacy. Sixteen regular issues and one extra have been printed this year. The extra was to create more interest in the bond issue for the new gymnasium and was distributed to practically every home in Marietta. Fifteen of the seventeen issues were six pages in length. Original subscribers totaled 650 or over half the enrollment in Marietta Junior and Senior Highs. Then too, more advertisements were collected for the Original this year than in any year previous.

FOURWORD

We can't help it.

COPYWRONG

This copyright is copied wrong but the copy was right when the copy writer wrote the copy. What is wrong is that the copyist copied the copy wrong when he copied the copyright, because when the copyist had finished copying the copyright wrong there was still some copy left.

NOT COPYEDRIGHT IN 1928

(Picture by courtesy of Putnam North Pole Exp.)

DEAR OLD M. H. S.

"... the building when completed has a height of 481 feet. Its base covers about 13 acres. Some of the blocks of white limestone used in construction weighed fifty tons. The facing of polished stone was gradually removed for building purposes by the Arabs. On the northern side of the building a narrow entrance, once carefully concealed, opens into tortuous passages, which lead to the central vault. The structure was built on the desert plateau above while the royal town was in the valley below (on the right, see Page 30 and Fig. 10). For convenience therefore the temple was connected with the town below by a causeway of stone. The original building now reclines in the National Museum at Cairo."

See Robinson & Beard's Anc. and Med. Hist.

ERRATA

Page 1. Change the Morian to read In Memoriam.
Page 1. Change In Memoriam to read The Morian.
Page 1. Finally change that to read More Orian.
Page 9. Change I to read Me(?).
Page 9. Do not correct.
Page 5. Substitute (x-y) for (y-x).
Page 10. Substitute Huhuh for Unhuh.

FACULTY

Of these firm, stern, learned men and women we can say but too much. On the other hand the total cost of the Japan-Russo War would not have made much difference. Don't you think this also should come under the heading of "Errata?" Certain it is that at times we have mentioned them—faculty—not wisely but too well.

JUNIORS — SOPHOMORES — FRESHMEN JUNIOR HIGH

These individuals deserve special mention, but of it? As future Morian editors they are negative quantities whereas past performances lead us to the belief that there is no Santa Claus. All in all, however, notwithstanding, it is true that Mr. Keppel will have his hands full with 1929, 1930, 1931, etc.; but as we said before, "What has this to do with us?" This being the case, and having got rid of all these, how about turning to the next section so we won't have to write anymore for this one?

MUSIC

One of the greatest blows delivered to Marietta is the annual Band Concert. This event is to be compared to the school operettas that yearly prove to be greater and greater howling successes. The band turns up at every game, this is another blow. Incidentally, the band has been heard all over the state. This year's operetta, "The Belles of Blowville," will not be forgotten for a long while. As to the orchestras and glee clubs, let us not mention them.

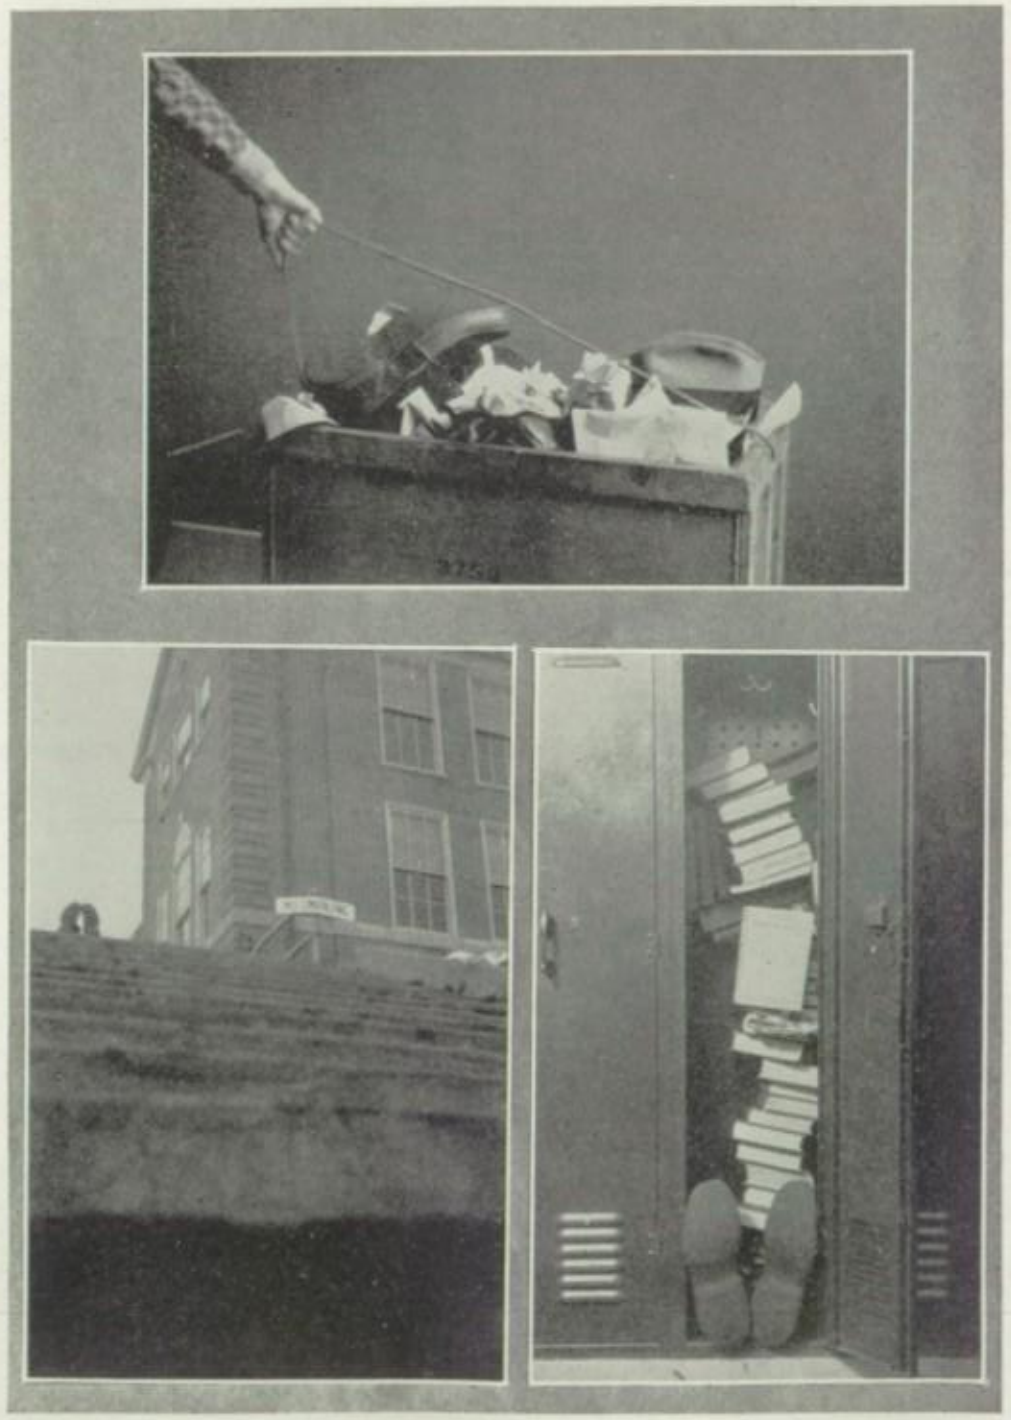
Voice Culture, '21, '22, '23, '24, '25, '26, '27, '28; Art, '28¼; Cheerleader (Since Birth); Band, ¼ of '28; Roosters Club, '?; Marietta Junior High, '21.

Horoscope: January 1 to December 31; Persons born between these two dates are babies and usually don't give a whoop about horoscopes or high schools or Morians (but they do whoop about other things). Er—as we were saying, child born between these two dates should be endowed with certain talents and capacities and about $3,000 to enable it to go to college later. They are susceptible to chills and fevers and here we are at the bottom of the page already! That's nice.



ACTIVITIES

THE ORNERY SOCIETY

This disorganization compares with Phi Etta Pi society of our colleges. Its membership is carefully chosen from the rank and foul of the students, who in the opinion of the faculty, best represent what the society stands for. To gain entrance to this society a student must be thoroughly acquainted with the office and must prove his knowledge of "Seven Standard Alibis" by McFarland and Cisler. One of their annual events is the Commencement Banquet after which all the members leave school.

ROOSTERS CLUB

The purpose of this club is to promote better cheering at the various games. That is what they say. The truth of the matter is that someone wanted another pin for her and the only way to get it was to start a new club. It is both exclusive and expensive and hard to get into. We know. If they have a motto they keep it quiet, it is the only thing they do keep quiet.

BOOTERS CLUB

"Boost Marietta High!" is the motto of this enthusiastic bunch. When one joins one is tested and then initiated to boot. They are always kicking about something, causing them to get frequently stepped upon. We failed to get into this one too.

ODOROUS CHEMICAL SOCIETY

This club started off with a bang and made a big hit with all within its range. It is still banging. Its aim is to lift its members to a higher chemical level—which it occasionally does. It ranks high all over the building, as one of the strongest and most noticeable club in M. H. S. It has been joked and punned about so much that, out of pity, we will quit right here, although we do think it should be called the odorous comical society.

ATHLETICS

The Captains

THE TEAMS

The teams ended the season with a tremendous score—on the other side. As ever, the Black and Blue warriors fought clean, consistent games—no soap. Nothing but the captains, of the opposing teams, the referee, the umpire, the cheerleaders, the crowd, the muddy field, the other halfback, the rain, the heat, the cold, and the score, kept our team from winning the Glendale Championship. Everyone who reads the score of the first and final game is aroused at the dirty dig given our players when someone buried the ball in a 7 foot hole behind the wrong goal.

THE SCORE

Crimson Tornadoes	*Hallowe'en Emblems*
1st Inning	
3.1416	–273
2nd Round	
.7854	5280
3rd Quarter	
100 cc.	$2.98
4th Hole	
0	0
Last Half	
32° F.	X

Finale: Winner takes all.

COACHES

Coach Rupphart X. Rocksalt also ended the season. Due to unusually well blown up, as was also the team.

TESTIMONIAL

(This testimonial NOT solicited.)

Dear Sirs:

I wish to inform you of the marvelous results reached through the use of your Double-action Kickafew Indian Hair Tonic. Two years ago I had very little hair on my head. I drank 17 bottles of your compound and now I have none at all. But, while drinking the 17th bottle I spilled some on my horse hide coat and it grew a luxuriant growth of genuine pure grade horse hair. My wife is stuffing a mattress so every week I shave the coat and put on some more tonic. You may send me 5 more bottles as soon as I devise a way of keeping my coat from whinnying.

Yours truly,
B. O. S.

P. S. Where's my promised check?

Always the Best in Photoplays

The best and most popular form of amusement in America is the theatre. Music, with its soothing charms and the motion picture, which takes one on fascinating trips into adventure, romance and happiness. The photoplay is the land of make-believe, and the greatest of all the amusements. Tired nerves and worn-out bodies demand a tonic. And the best known is amusement.

Better Printing is *Worth* more Money

If you want to economize on your expenditure for printing—why not be logical, *and do without the printing,* thus saving all the money, instead of only a small part.

Isn't this better than "shopping around" for a low price, and then having to be content with the poorer materials, less careful workmanship, less attractive results, and the far less able assistance in planning and producing your work, *that inevitably go with a low price bid.*

There is usually so little difference in the price, when it is all summed up, a few dollars will cover it—but there is often a serious and *unexpected difference* in the quality of the work.

We do not offer any excuses for our prices, they are what we know we must charge to cover satisfactory materials and workmanship.

And—we have never had the mortifying experience of having to offer excuses for the quality of our work.
